## **Manu'a High School Celebrates Graduation of Five Seniors with Theme: "Dream, Believe, and Achieve"**

Manu'a High School celebrated the accomplishments of five seniors at its graduation ceremony on June 7, 2024. The ceremony was themed "Dream, Believe, and Achieve" (Miti, Talitonu, Ausia).

Governor Lemanu P.S. Mauga, who was in attendance, participated in the graduation entrance and joined the graduates in a celebratory dance, commemorating their accomplishments. He then delivered special remarks, honoring the graduates and emphasizing the significance of dreams and self-belief. Stressing that "Dreams are the seeds of greatness, visions that ignite the soul and whispers of the heart," Governor Lemanu urged the graduates to cultivate confidence and faith in themselves. He highlighted that dreams, without belief and action, fall short, drawing inspiration from former Governor Lolo M. Moliga, a fellow alum of Manu'a High School, to exemplify the transformative influence of dreams and the community's support in realizing them.

During the ceremony, Levalea'i Jacinta Ve'a Logo Maligi was honored as the valedictorian, and Christina Mila Logoleo was recognized as the salutatorian, both for their outstanding academic achievements. Levalea'i Jacinta Ve'a Logo Maligi was also presented with the Governor's Youth Council award, highlighting her remarkable contributions and leadership abilities.

Congratulations once again to the remarkable Class of 2024, whose journey exemplifies the essence of the theme "Dream, Believe, and Achieve."
