## ASHSAA Kicks Off High School Athletics Program for 2022-2023

*Pictured: Honorable Governor Lemanu P. S. Mauga and First Lady Ella Mauga*

[PICTORIAL]: On Saturday, September 10, 2022, the American Samoa High School Athletics Association (ASHSAA) officially kicked off the 2022-2023 Sports Season. The opening ceremony was held at the Veterans Memorial Stadium in Tafuna. Governor Lemanu served up the first ceremonial Volleyball, while First Lady Ella threw out the first ceremonial Football to kickoff the season for both sports.

“Whether on the field or at home, your character and discipline will determine the outcome of your games, but most importantly, it is a reflection of how you carry yourself. Who you are at home, will show on the field and on the court. You represent your family, your church, and your village. So build your character and discipline yourself to carry your responsibilities and duties at home, as well as in the classroom and on the field. Have a prosperous school year and safe sports season,” stated Governor Lemanu.”
